

VIETNAMESE AFFAIRS STAFF

OFFICE OF THE DIRECTOR OF CENTRAL INTELLIGENCE

DATE: 11 April 1972

TO: Lt. General Donald V. Bennett, USA

Director

FROM: Defense Intelligence Agency

SUBJECT: Net Assessment Requested by
Secretary Laird

REMARKS: Don:

Attached is your personal copy of the net assessment which we prepared in compliance with Secretary Laird's request and which you and I have previously discussed in private conversation. I have also appended a copy of my transmittal note to the Secretary which deals directly with the "non-coordination" aspects of this paper and their possible impact on its balance.

To round out the CARE package, I am enclosing an additional set of the two WSAG papers done over the past weekend (your formal copy is coming over the Director's signature). These papers could never have been completed on time without the fine cooperation of [REDACTED] and his associates. For this we all thank you and would appreciate your extending our thanks to them.
